Re: Assembly Bill 588 of the 83rd Legislative Session

Dear Secretary of State Aguilar:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 588 ("AB 588"), which is titled as follows:

AN ACT relating to legislators; revising the title of a member of the Assembly to "Assemblymember" in conformance with the Assembly Standing Rules and the Joint Standing Rules of the Senate and Assembly; and providing other matters properly relating thereto.

During this session, the Assembly adopted Assembly Concurrent Resolution No. 1, which designated the official title for its members as "Assemblymembers." Accordingly, that title was used throughout the entire legislative session. That action clearly demonstrates the Assembly's authority to determine how its members are addressed through internal procedures, without requiring statutory codification.

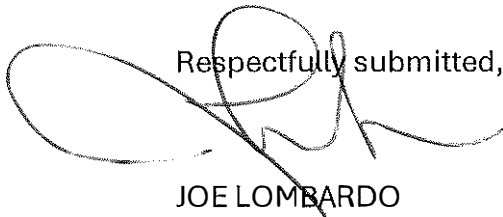

Because this bill's purpose can be adequately achieved through the legislature's internal rulemaking process rather than creating new statutory law, I cannot support it.

For these reasons, I veto this bill and return it without my signature or approval.
